

Investing for Success

**Under this agreement for 2020
Rainbow Beach State School will receive**

\$49,239*

This funding will be used to

- Ensure 85% of Prep - Year 3 students are achieving at or above year level benchmarks in reading by the end of 2020.
- Ensure 90% of students achieve a 'C' Standard or better in English and Mathematics in Semester 2 reporting across the school.
- Ensure 100% of Years 3 and 5 students achieve above the National Minimum Standard (NMS) in all strands of NAPLAN.

Our initiatives include

- Purchasing teaching staff to reduce class sizes and developing individual support plans for students at risk of not achieving "C" standard across all year levels.
- The continued development of a whole school approach to teaching of writing through the use of Pearson's Gradual Release of Responsibility model as a pedagogical framework.
- Providing additional teacher aide staff to implement effective intervention and reading programs.
- Developing a case management process for students at risk of not experiencing academic success school-wide based on the work of Lynn Sharrett.

Our school will improve student outcomes by

Actions	Cost
Investing in an additional teacher - 0.6 Full Time Equivalent (FTE), to provide additional time for every student to be supported and achieve 'C' standard or higher.	\$35,000
Investing in additional teacher aide support ensuring any student not achieving year level benchmark will have access to intervention strategies.	\$7,000
Investing in staff professional development and release time to continue to develop staff capacity to plan and implement the Australian Curriculum.	\$7,239
